Hook-a-Month Adaptation Rug

I found two old rugs I loved, so I created a new design adapting elements from both of them.

Similar to the quilters' block-of-the-month projects, this kit will come to you in six monthly shipments from September 2011 to February 2012.

I am offering a limited number of these kits, so if you want to sign up, don't hesitate!

Options and Payments:

- ❖ If you pay for the complete kit at one time (you still receive project materials monthly) I'll deduct the shipping charges of \$6.00 per month (\$36.00 total.)
- ❖ If you pay monthly, you pay for the monthly shipment plus shipping charges (\$6.00/month) before each shipping date. I will bill your credit card before each shipment.

If you need more information, please email or call me. I hope to begin sending out the first shipments at the middle of September. Kit availability is limited, so be sure order now to reserve your kit.
