This is the Spring-Summer hook-a-month (HAM) project. Similar to the quilters' block-of-the-month projects, this kit will come to you in monthly shipments from June to September 2017.

I am offering a limited number of these kits, so if you want to sign up, don't hesitate!

Project Options and Cost: Uncut Wool: \$300.00 Cut Wool: \$348.00

- If you pay for the complete kit at the time you sign up (you still receive project materials monthly) I'll deduct the shipping charges of \$6.50 per month (\$26.00 total)
- Or, you may pay monthly for project materials, plus shipping, before each ship date.
- Due to the amount of coordination and paperwork needed for this project, payments must be made using PayPal.

If you need more information, please email or call me. I hope to begin sending out the first shipments around June 15th. Kit availability is limited, so be sure to sign up and reserve your kit.
