

Folk 'n' Fiber Hook-a-Month Project

Briner Patchwork Runner 36 x 14 inches

Adaptation of elements from Magdalena Briner Eby's antique rugs

We, as hookers, are all fond of Magdalena's works. She was a legend in primitive-style rugs! This Hook-a-Month project incorporates many of her most-beloved designs into one fabulous runner. Just the right size for on a harvest table, in front of a love seat, or to showcase a great primitive cupboard -- on the table, floor, or wall. Hooked in a rich palette of warm tones of 100% textured wool from The Wool Studio and Dorr Mill, this rug is sure to be a stunner in your home.

OPTIONS:

- ❖ If you pay for the complete kit at one time (you still receive project materials monthly) you get a 10% discount. Shipping included in pricing.
- ❖ If you pay monthly, you pay for first shipment at time of order and again before each shipping date. I will invoice you for shipments from November through February. Shipping is included in pricing. Payments are due at the time of invoicing.
- ❖ Due to the amount of design time, wool prep, coordination, and paperwork needed for this project, payments must be made using PayPal. No returns or refunds. If there are any problems, I will work hard to resolve them for you.

If you need more information, please [email](#) me. I plan to begin sending out the first shipments mid-October.

Kit availability is very limited, so order now to reserve your kit.
